Terms and Conditions

Buyer may at any time, by a written order, make changes within the general scope of this order, in any one or more of the following: (i) drawings, designs, or specifications, where the supplies to be furnished are to be specifically manufactured for Buyer in accordance therewith; (ii) method of shipment or packing; (iii) place of delivery; (iv) the period of performance of work; (v) increase or decrease of quantities covered by this order; and (vi) delivery schedules. Seller must comply with such changes. In the event any change results in no incremental increase in any of Seller's costs, Seller agrees not to increase price(s) stated herein on account of such change. Any increase in any price(s) resulting from any change by the Buyer will be subject to prior approval by Buyer. Seller further agrees to credit Buyer's account or to reimburse Buyer for any cost savings resulting from any change required by Buyer. Further, all cost savings resulting from any changes implemented by Seller will be passed on to Buyer.
